## RAKSHA BANDHAN CELEBRATION

To trigger such creativity in our budding artists, we at Indus have organized a Rakhi Making Activity for Grades 1&2. Making the best of this opportunity to display their ingenious talent in the field of art and craft, the young leaders came ready with decorative material as per their creativity and imagination. The students got thoroughly engaged in the activity and came up with beautiful Rakhi's as a result. Some students also shared the importance of Raksha Bandhan to develop better sensitivity towards this pious festival that celebrates the love between a brother and sister. Overall, the event was a great success, wherein the kids showcased their creative side and also got to know the traditional magnitude of the festival.

## SHOW & TELL ACTIVITY

Show and tell sets the stage for children to become comfortable when speaking in public. Show and Tell Activity was organized for Grades 1&2. The main aim of this activity was to help to build their self-confidence and self-esteem. It enabled them to improve their descriptive skills by communicating feelings, thoughts, and emotions with words. During this activity, students showed their objects to teacher, they had to speak a few lines about their object. It goes without saying that student's involvement in individual activity infuses their originality, self-confidence & self-reliance. The inspiring presentation left no stone unturned to achieve a realistic appraisal of their skills and to discover the power of spoken words.

## JANMASHTAMI CELEBRATION

Janmashtami –A celebration of selfless love and devotion. It is an annual festival that celebrates the birth of Krishna, the eighth avatar of Vishnu. The students of Grades 1&2 celebrated Janmashtami by singing, praying together and a skit was presented. Students decked up as Radha/ Krishna, the little devotees of Krishna performed on songs related to Janmashtami.

## TRASH TO TREASURE ACTIVITY

**"Recycling things is like magic that turns ordinary things into extraordinary."**

The Best out of Waste simply means to make or to create innovative and attractive things from the material we do not use anymore. In an initiative to generate the habit of using old things to create beautiful crafts among children, a 'TRASH TO TREASUREACTIVITY' was conducted for Grades 1&2 students. The creativity displayed by the children was mesmerizing. The activity promoted artistic fervour in our leaders of tomorrow.

## MINI OLYMPICS

A sound mind resides in a sound body. Sports and games help in physical fitness apart from inculcating sportsmanship, leadership, unity and competitive spirit among the students. Our Sports provides a great platform to the students to showcase the spirit of sportsmanship.

The students of grades 1&2 entered the spirit of the occasion in a grand way. On the bright sunny day witnesses of a plethora of sports competitions with different types of Races. This event works as a medium to channelise the abundant energy of children in the right direction and help them discover their interests in outdoor activities. A special prize distribution ceremony was also hosted for all the participants and winners which motivates them to continue proving their mettle in this field.

## हिंदी दिवस

"गर्व हमें है हिंदी पर, शान हमारी हिंदी है" - हिंदी दिवस पर हिंदी के महत्व को मनाया गया। हिंदी भाषा को भारत की राजभाषा घोषित करने के बाद से हर साल 14 सितम्बर को मनाया जाता है। इस अवसर पर प्रार्थनार्थी सभा और कविता पाठ के साथ विभिन्न क्रियाकलाप आयोजित किए गए, जिनमें बच्चों ने हिंदी के महत्व को मन मोहक तरीके से प्रस्तुत किया।

## GANESH CHATURTHI CELEBRATION

Students of Indus hosted a special assembly on this auspicious occasion. The assembly began by offering prayers to the almighty to seek his blessings. They confidently and melodiously chanted shlokas to invoke the blessings of Mangalmoorti Ganesha. It was followed by an informative skit by the young Indusians. The students displayed the life of Lord Ganesha and his devotion towards his parents through a thought-provoking skit. The students urged everyone to use eco-friendly ways of celebrating the festival.

## SPECIAL ASSEMBLY

The motivation for celebrating special assembly is to draw attention to the plight of these majestic and intelligent ideas. In a special assembly the students of Grades 1&2 performed & spoke about states and community helpers . We at Indus, believe in imparting knowledge through innovative methods and one of the most novel one is through the assemblies.

## PUPPET MAKING ACTIVITY

Puppet making activity was conducted for Grades 1&2. As puppet play is a fun way for child to explore strong feelings and learn good ways to manage them.

Strong emotions can be hard for a child to understand and talk about. Exploring and expressing these strong emotions through the character of a puppet can help the child to learn how to manage emotions.

Puppet play can be a fun creative activity too, when the child makes own puppets.

## STORYTELLING COMPETITION

Stories always give wings to our imagination and take us to places beyond the boundaries of physical world. While competitions are the best way to boost the confidence in children. Keeping this in mind, a storytelling competition was conducted for Grades 1&2. Children narrated stories with the use of facial expressions and voice modulation. The little narrators used props like puppets. Each and every story was narrated with a moral. The oratory and presentation skills of tiny tots were outstanding.

## DUSSEHRA CELEBRATION

Dussehra is an auspicious day in the year of Hindu Faith. It is one of the major festivals and involves huge celebrations for ten days and nine nights. In the mood of celebration, our young Indusians celebrated Dussehra with full vigour to instill the students with the message of this festival. The destruction of evil power and triumph of good over evil. A celebration was planned wherein students played the role of different mythological characters to make everybody understand the importance of Ramayana. They also made a small craft of Ravana. The students were sensitized about the occasion and were encouraged to adopt the teachings for the benefit of mankind.

## FIELD TRIP

At Indus, we believe that field trips are a perfect way to expand one's horizons. To promote learning through outdoor interactions, and experiences. They were taken to a nearby Nursery where the little ones were shown different types of plants, explained the various parts of the plants and their uses. The children had a wonderful learning experience and were full of excitement to see such different species of plants. They were also told about the importance of plants in our lives and why we should not cut trees. The trip was a great success and a memorable experience for the little ones.

## DIWALI CELEBRATION

Diwali epitomizes the Victory of Good over Evil. The approaching auspicious day was thus celebrated as a festive occasion at Indus. A special assembly commemorated with the teacher sharing the importance of the festival. The students of Grades 1&2 sung a Diwali rhyme followed by a group dance. Students also presented a small skit to make the children aware about their environment and what they can do to keep it clean. And safety measures to be followed while bursting crackers were explained to the students.

## EUREKA - SCIENCE FESTIVAL

Our school signature event **THE SCIENCE FEST** continues to be a significant event that fosters a love for science among students. It plays a vital role in inspiring the next generation of scientists and innovators. The Indusians were exposed to diverse concepts related to the field of science and about how science plays a very important role in our everyday lives and the future world. They received an opportunity to showcase their projects, models, informative charts and art works.

## THANKSGIVING DAY ACTIVITY

With an aim to create leaders of tomorrow, Indusians always work towards imparting and inculcating positive values among their students. With this endeavor, Thanks Giving Day with the theme 'Attitude of Gratitude' was conducted to inculcate the values of kindness and respect. With interactive activities, students were encouraged to show their gratitude while appreciating the efforts of all those who help them in their day to day lives.

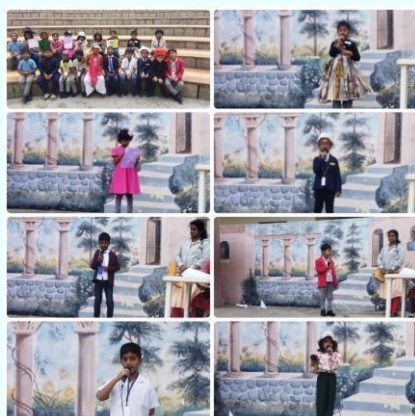

## FANCY DRESS COMPETITION

A fancy dress competition not only blends learning with fun but also develops confidence in students by giving them an opportunity to speak in front of everyone.

To celebrate this fun-filled learning activity, children of Grades 1&2 participated in fancy dress competition. The medium could not limit the creativity of the parents who dressed children with boundless imagination. They were dressed according to the theme given. Children also participated with a lot of enthusiasm and displayed their confidence while speaking. Their innocent words and stage presence won the hearts of teachers and judges.

The competition proved to be a great learning experience for the students and gave them a platform to explore their hidden talents.
